JOB DESCRIPTION

Systems Administrator – IT Department

POSITION: FULL TIME

Reports to: I.T. Director
Salary: D.O.E.

GENERAL FUNCTION

Under the general direction of the Director of Information Technology, this position will tend to the day to day operations of all IT services including applications, network infrastructure, servers, and telecommunications. This position will perform both technical and application IT projects.

REPRESENTATIVE ESSENTIAL DUTIES AND RESPONSIBILITIES

This list is intended only to illustrate the various types of work that may be performed. The omission of specific statements does not exclude them from the position if the work is similar, related or logical assignment to the position.

1. Install, configure and upgrade operating systems and software
2. Administers Windows platform domain
3. Installs, assembles and configures computers systems, network infrastructure and peripherals such as printers, scanners and related hardware
4. Troubleshoots problems with computer systems, including troubleshooting hardware and software, e-mail, network and peripheral equipment problems; makes repairs and corrections where required.
5. Acts as a technical resource in assisting users
6. Makes hardware and software acquisition recommendations
7. Assists with the planning, design, research and acquisition of new or upgraded hardware and software systems
8. Performs other duties of a similar nature or level.

OTHER DUTIES

Because of the Tribe's commitment to community service and the wellbeing of its members, each employee may be expected to perform a wide range of office and field duties from time to time. Such duties may or may not be related to their regular responsibilities.

WORKING CONDITIONS

The working conditions described here are representative of those that must be met by an employee to successfully perform the essential duties of this class. While performing the duties of this job, the employee is frequently required to sit and talk or hear. The employee is occasionally required to walk, crawl, kneel, crouch, twist, push/pull and grasp; use hands to operate, finger repetitively, handle, or feel objects, tools, or controls; and reach with hands and arms. The employee must occasionally lift and/or carry up to 50 pounds. Employee has occasional exposure to possible electrical shock. Specific vision abilities required by this job include close vision and the ability to adjust focus. The noise level in the work environment is usually moderate.
