

# EMBRACE YOUR SACREDNESS

---

**2ND ANNUAL INTERTRIBAL YOUTH  
SUICIDE PREVENTION SUMMIT**

**September 25 - 26, 2017**

The background features a light gray overlay with stylized, geometric patterns reminiscent of traditional Native American art. On the right side, a vertical strip shows a close-up of a person's face, partially obscured by the patterns.

The rate of suicide among Native Youth is more than double the rate of any other ethnic group.

We have the power to make a difference in our communities and make sure our friends and family are healthy.

We can start by discussing the issues around suicide, learning from each other, and taking that knowledge back to our communities and peers, starting today.

**#EmbraceYourSacredness**

**There are so many things in our lives  
that we should embrace.**

**OUR STRENGTH.  
OUR FAMILY TRADITIONS.  
OUR LOVED ONES.  
OUR ENEMIES.  
OUR FEARS.  
OUR SONG AND DANCE.  
OUR FOODS.  
OUR CULTURE.  
OUR SACREDNESS.**
