[History] Ord. 342 (12/16/14).

17-11.050 Tribal Governmental Programs and Services.

The Senate finds that, as a result of actions and decisions by the United States, the ownership of the land within the Reservation is shared by the Tribe, the United States in trust for the Tribe and individual Indians, and non-Indians, resulting in a patchwork of ownership and Tribal ability to provide governance, programs and services. Within this context, programs and services made available by the Tribal government that benefit persons in various areas of the Reservation include:

- (A) governmental services, such as:
 - (1) public sewage collection and disposal systems,
 - (2) water systems to provide safe drinking water and fire protection,
 - (3) Tribal roads, and
 - (4) assignment of Tribal paraprofessional employees to provide educational services off-Reservation in the La Conner public school system;
- (B) maintenance of public health, safety, welfare, and law and order, including:
 - (1) Tribal police,
 - (2) Tribal fisheries management and enforcement, with the State of Washington,
 - (3) hazardous emergency response,
 - (4) managing, preserving, conserving, restoring, and enhancing the Reservation environment and habitats, and regulation and protection of Reservation air quality, water quality, shorelines and sensitive areas, and
 - (5) comprehensive land use planning and regulation;

- (C) a Tribal Court system with general jurisdiction for the resolution of civil disputes and limited jurisdiction for the prosecution of criminal actions;
- (D) protection of Reservation lands and natural and cultural resources;
- (E) provision and maintenance of parks and open space, such as Kukutali Preserve, co-owned and managed with Washington State Parks;
- (F) support of Reservation community, cultural and religious events, institutions and activities, including the Treaty Day, Blessing of the Fleet, Memorial Day, Fourth of July, Canoe Journey, Swinomish Days, Veterans Day and winter holiday and cultural events;
- (G) promotion and regulation of Reservation businesses and economic development; and
- (H) provision of employment opportunities for both members and non-members of the Tribe.

[History] Ord. 342 (12/16/14).

17-11.060 Need for Tribal Governmental Revenue.

The Senate finds that:

- (A) The entire Reservation community, both Indian and non-Indian, shares a portion of Fidalgo Island, and whether leasing, subleasing, using or occupying Swinomish Indian Lands or purchasing, owning, selling, leasing, subleasing, assigning or accepting assignment of, using or occupying a Permanent Improvement, residing, being employed, or otherwise doing business on the Reservation, directly and indirectly benefits from Tribal governance of the Reservation and Tribal governmental services and programs.
- (B) Tribal governmental services and programs improve the overall quality of life on the Reservation, whether those programs and services are provided directly to Tribal members, Native Americans or the entire Reservation community, by preserving and enhancing the natural environment, providing parks and other open or public spaces, public safety, roads, enhancing physical and mental health, education, and continuing and enhancing Swinomish social, economic and cultural life, thereby contributing to the social safety net and enriching the fabric of Reservation life.
- (C) Governmental services provided by the Tribe to Tribal members and other Natives seek to reduce historic disparities in Native American health metrics, education and economic outcomes, thereby reducing inequality and inequity across the Reservation community as a whole and promoting social stability and public welfare.
- (D) Tribal governmental services and programs supplement or replace services or programs that would or should otherwise be provided or operated by other governments, and thereby relieve other units of government from the full burden of providing these services and programs.

- (E) The United States has historically not fully or sufficiently funded the services that it is obligated to provide pursuant to its Treaty obligations and/or the Federal trust responsibility, thereby requiring the Tribe to secure other sources of funding in order to more fully provide these essential services.
- (F) It is appropriate, therefore, that the persons occupying or using Permanent Improvements on Swinomish Indian Lands who benefit, directly or indirectly, from this wide variety of Tribal governmental services and programs contribute a portion of the costs of the Tribal programs and services through paying the tax established by this Chapter.

[History] Ord. 342 (12/16/14).

17-11.070 Transition from State/County/Local to Tribal Taxation.

(A) Transitional Objectives.

- (1) On July 30, 2013, the United States Court of Appeals for the Ninth Circuit issued its decision in *Confederated Tribes of the Chehalis Reservation v. Thurston County Board of Equalization*, 724 F.3d 1153, ruling that Washington state and local property taxes may not be imposed on Permanent Improvements on land owned by the United States and held in trust for Indians, without regard to the ownership of the Permanent Improvements.
- (2) On March 31, 2014, the Washington State Department of Revenue issued Property Tax Advisory PTA 1.1.2014, concluding that state and local governments cannot assess property tax on Permanent Improvements built on trust land.
- (3) It is the intent of the Senate that the transitional tax imposed by this Chapter for Tax Year 2015 be at the same rate, and be applicable in the same fashion, as the total of the State, County and local taxing district taxes imposed on Permanent Improvements situated similarly to those Permanent Improvements on Swinomish Indian Lands in order to reduce disruption in the transition to Tribal taxation from State, County and local taxing district.
- (4) Imposition of the tax established in this Chapter will not result in double-taxation.
- (5) Exercise of the Tribe's taxing authority through enactment of the Trust Improvement Use and Occupancy Tax will ensure continuity of taxation relating to Permanent Improvements located on Swinomish Indian Lands by a jurisdiction with taxing authority.

- (6) Skagit County assessed Permanent Improvements on Swinomish Indian Lands in 2014 for purposes of taxes owing in Tax Year 2015.

[History] Ord. 342 (12/16/14).

17-11.080 Identification of Tax Year.

All annual taxes under this Chapter may be known and designated as taxes of the year in which such taxes, shall become due and payable.

[History] Ord. 387 (11/6/18); Ord. 342 (12/16/14).

17-11.090 Number and Gender.

Every word importing the singular number only may be extended to embrace the plural number, and every word importing the plural number may be applied and limited to the singular number, and every word importing the masculine gender only may be extended and applied to females as well as males.

[History] Ord. 342 (12/16/14).

17-11.100 Imposition of Trust Improvement Use and Occupancy Tax.

The tax shall be collected from the person or entity owning the Permanent Improvement.

[History] Ord. 342 (12/16/14).

17-11.110 Rate of Tax.

- (A) For Tax Year 2015, the rate of the tax imposed by Section 17-11.100 shall be at the total of the Skagit County Tax Rates (including State, County and local tax districts) for Skagit County Levy Code 1580 for every \$1,000.00 of Skagit County Assessed Value of the Permanent Improvement. The Rate of Tax shall be declared by the Chief Financial Officer in a Swinomish Tax Ruling, which shall be publicly posted on the Tribal website.
- (B) For Tax Years following Tax Year 2018, the rate of the tax imposed by Section 17-11.100 for every \$1,000.00 of Assessed Value of the Permanent Improvement for that Tax Year

shall be declared annually by the Senate Tax Committee in a Swinomish Tax Ruling signed by the Tax Administrator, which shall be publicly posted on the Tribal website.

However, at the end of the five (5) year Exemption period, or if at any point an Exemption is deemed terminated, the taxpayer must resubmit an Exemption Claim form (including all eligibility documentation required by Section 17-

11.120(C)(3)) and receive approval from the Tax Administrator prior to claiming any Exemption under this Section for the following Tax Year.

- (5) No single claimant may receive more than one (1) Exemption under this Section. For purposes of this Section, an eligible marital community, domestic partnership, co-tenancy, or other entity in which two or more natural persons share a Principal Place of Residence shall be treated as a single claimant.

- (1) The taxpayer claiming an exemption from the Trust Improvement Use and Occupancy Tax under this Section must have used or occupied the Permanent Improvement as a Principal Place of Residence during the Tax Year in which the Exemption is requested, and must continue to use the Improvement as his or her Principal Place of Residence for each Tax Year for which an Exemption is claimed.
- (2) The taxpayer claiming an exemption from the Trust Improvement Use and Occupancy Tax under this Section must, at the time of filing the Exemption Claim, own the Permanent Improvement for which the Exemption is requested in fee, as a life estate, or by contract purchase. A Permanent Improvement owned by a marital community, state registered domestic partnership, or co-tenants is deemed to be jointly owned by each spouse, partner, or co-tenant. Any lease for life is deemed a life estate.

 - (2) The Tax Administrator may request additional information from the taxpayer as deemed necessary in order to make a determination on the Exemption Claim. When the application is deemed complete, or if the taxpayer fails or refuses to timely provide additional information as requested, the Tax Administrator shall either approve or deny the Exemption Claim. Untimely or incomplete exemption claims shall be denied.

 - (a) For the lesser of a period of five (5) Tax Years or until the grandfathered taxpayer claiming the exemption under this Section no longer meets the eligibility requirements, the amount of tax owed under this Code will be equal to the dollar amount of taxes on the Permanent Improvement that taxpayer paid in Tax Year 2014.
 - (b) A taxpayer grandfathered pursuant to this Subsection who remains eligible for an Exemption under this Section may file a renewed Exemption Claim for Tax Year 2020 and, if approved by the Tax Administrator, will retain grandfathered status for Tax Year 2020.

Thurston County Board of Equalization*, 724 F.3d 1153, Washington State Department of Revenue Property Tax Advisory PTA 1.1.2014, or other determinations or decisions implementing these legal authorities.

The Request for Refund must state each and every one of the factual or legal grounds upon which the tax is claimed to have been erroneously paid or overpaid, and must include all evidence supporting the claimed error or overpayment.

- (A) Upon issuance of a Declaration of Delinquency, the Tax Administrator shall inform and seek the direction of the Senate Tax Committee within 120 days. The Senate Tax Committee shall authorize and direct the Tax Administrator and Office of Tribal Attorney to either pursue tax lien foreclosure or not pursue tax lien foreclosure. If the Senate Tax Committee directs the Tax Administrator and Office of Tribal Attorney to pursue tax lien foreclosure, the tax lien foreclosure proceeding shall be filed within sixty (60) days of the Senate Tax Committee's direction unless otherwise specified.

- (B) No fee or cost shall be charged by the Swinomish Tribal Court for the filing of a lien foreclosure proceeding pursuant to this Chapter.
- (C) **Consideration and Judgment.** The Tribal Court shall hold a hearing prior to judgment.
- (1) The Court may, in its discretion, continue a case in the interest of fairness and justice to the parties.
 - (2) Irregularities or informality in the assessment rolls or tax lists or in any of the proceedings connected with the assessment or levy of the taxes, or any omission or defective act of any officer connected with the assessment or levy of the taxes, shall not constitute a defense in a tax lien foreclosure proceeding. The Court shall correct or afford the Tribe an opportunity to correct any irregularity, informality, omission, or error prior to entry of judgment.
 - (3) The Court's judgment shall take the form of an order, signed by a judge of the Swinomish Tribal Court and delivered to the Swinomish Tax Administrator and to the owner(s) of the Permanent Improvement for which the tax is delinquent, that:
 - (a) orders the sale of the Permanent Improvement against which judgment is made for all interest, penalties, charges, and costs ("Order of Sale"), or
 - (b) vacates and sets aside the Declaration of Delinquency, or
 - (c) makes such other order or judgment as may be just and equitable.
 - (4) The Court shall consider and rule upon all outstanding taxes, interest, penalties, charges, and costs when establishing the foreclosure sum in the judgment. Interest and penalties on delinquent taxes shall be calculated up to the date of the entry of the Order of Sale. The judgment is a several judgment against each Permanent Improvement.
 - (5) Any Order of Sale of the Permanent Improvement(s) against which judgment is made shall constitute full and sufficient authority for the Tribe to sell, or employ a third party to sell, the Permanent Improvement(s) for no less than the sum set forth in the Order and to take further steps provided by law.
 - (6) Pursuant to Section 17-11.340(A), the Court's final determination of a tax lien foreclosure action—including but not limited to an Order of Sale issued under Section 17-11.270(C)(3)(a)—is subject to appeal by the Tribe or the owner of the Permanent Improvement(s) against which a judgment is made. Any appeal of an Order of Sale of the Permanent Improvement(s) must be filed within thirty (30) days of entry of the Order.

(D) **Lien Foreclosure Sale—Conditions.** After receipt of a Tribal Court Order of Sale pursuant to Section 17-11.270(C)(3)(a), the Tax Administrator shall so inform the Senate Tax Committee. Issuance of a Tribal Court Order of Sale or other final judgment issued by the Swinomish Tribal Court authorizes either the Tax Administrator or the Swinomish Department of Land Management to sell, or employ a third party to sell, the Permanent Improvement(s). Beginning in 2020 and for each subsequent year, the Tax Administrator or Swinomish Department of Land Management shall schedule the annual sale of Permanent Improvements under this Chapter, or more frequently if so directed by the Tax Committee.

- (1) All sales must be made by public auction held on or near the Swinomish Reservation. - (2) The Permanent Improvement(s) must be sold to the highest bid that equals or exceeds the acceptable minimum bid. The acceptable minimum bid is the total amount of taxes, interest, penalties, charges, and costs owed, as specified in the Order of Sale.
- (3) The Tribe is eligible to bid at the public auction.
- (4) No employee of the Tribe seeking to purchase the Permanent Improvement(s) for his or her personal benefit or use shall be an eligible bidder if, in his or her official capacity, that employee had direct participation or involvement in the underlying lien foreclosure action.
- (5) All bidders except the Tribe must pay, at the time of sale and in certified funds, the full amount of the winning bid, which will not be less than the full amount of taxes, interest, penalties, charges, and costs as specified in the Order of Sale. If the highest eligible bid exceeds the acceptable minimum bid due upon the Permanent Improvement(s) as set forth in the Order of Sale, the excess must be paid to the owner of the Permanent Improvement who held title on the date of issuance of the Order of Sale, or a successor in interest. Assignments of interests, deeds, or other documents executed or recorded after issuance of the Declaration of Delinquency do not affect the payment of excess funds to the owner indicated on the Order of Sale or a successor in interest of that owner. The Tax Administrator shall make no fewer than three attempts to contact the owner indicated on the Order of Sale within six months of the sale of the Permanent Improvement at auction. If no written claim for the excess has been received by the Swinomish Tax Authority within one year of the date of sale, all claims to the excess are extinguished and the funds shall revert to the Tribe.
- (6) At all sales of Permanent Improvement(s) for which a Declaration of Delinquency is held by the Tribe, if no bid equals or exceeds the acceptable minimum bid, the

Tribe shall acquire title to the Permanent Improvement(s) as absolutely as if purchased by the Tribe or an individual under the provisions of this Chapter.

- (E) **Lien Foreclosure Sale—Notice.** Prior to any sale of Permanent Improvement(s) under this Chapter, the Tribe must post public notice for at least the seven (7) consecutive days prior to the date of sale in two public locations on the Swinomish Reservation, at least one of which must either be the office of the Swinomish Tax Authority or Swinomish Department of Land Management. The Tribe must also post electronic notice on the Tribe’s website and publish written notice in a local publication at least thirty (30) days prior to the date of sale.

- (1) Posted public notice of a sale shall be substantially similar to the following form:
