COVID-19 PUBLIC HEALTH NOTICE

February 18, 2021– Swinomish Public Health has confirmed one (1) new case of COVID-19 in the community in the last 24 hours.

If I have had my vaccine, do I still need to be tested?

Yes, it is recommended that you continue to be tested after receiving the vaccine. The first dose of the vaccine will provide about 50% protection after two weeks. You will get about 95% protection a few weeks after your second dose. If you are a Swinomish employee, 14-day testing requirement remain in effect.

Community drive-thru testing TUESDAY 1-3:30 p.m.

Wear a Mask - Wash Your Hands - Watch Your Distance
