Signature of Applicant or Designated Agent (REQUIRED)

FEEES MUST BE SUBMITTED AT TIME OF APPLICATION

The Uniform Building Codes require the Swinomish Indian Tribal Community to make the following inspections. It shall be the duty of the permit applicant to cause the work to remain accessible, on test and exposed for inspection purposes. Neither the Tribal Building Official nor the Jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection. It shall be the duty of the person doing the work . . . "to notify the Building Official that such work is ready for inspection (and) to provide access to (a ladder when necessary) and means for inspection of such work" (Sec. 305 U.B.C.).

The following is a brief description of WHEN inspections are required.

PLUMBING

After rough-in of piping, installed and on test (before covering), and final.

MECHANICAL

After rough-in (installed and on test) before covering metal chimneys, before concealment of ducts, and final.
