## COVID-19 PUBLIC HEALTH NOTICE

**August 12, 2021** – Swinomish Public Health has confirmed **six (6) new cases** of COVID-19 in the community in the past week. There are tests still pending results.

With COVID-19 case numbers on the rise and the Delta variant circulating, Swinomish Public Health wants to remind everyone that regular testing is still essential in our fight against spreading the virus. Whether you are vaccinated or not, if you have been around someone who is either suspected or confirmed to have COVID-19, you should **get tested 3-5 days after your exposure**, even if you don't have symptoms.

Testing is available Monday-Friday by appointment at the Medical Clinic. Call (360) 466-3167. Starting Monday, August 16, walk-in vaccine appointments are welcome Monday-Friday from 9 a.m.-4 p.m. Drive-thru testing is available every Tuesday from 2-3:30 p.m.

### Data Dashboard

	Positive	Hospitalizations	Deaths	First Dose Vaccines	Second Dose Vaccines
Swinomish	203	11	3	2,113	1,922
