COVID-19 PUBLIC HEALTH NOTICE

August 23, 2021 – Swinomish Public Health has confirmed **ten (10) new cases** of COVID-19 in the community since the last update Thursday, August 19. There are tests results still pending.

Regular testing, contact tracing, and complying with quarantine protocols is essential to our fight against spreading the virus further at Swinomish. If you have been contacted and instructed to quarantine, only leave your home to seek medical care. Drive-thru testing is available at the Medical Clinic every Tuesday from 2-3:30 p.m., or you can call to make an appointment.

The number one way to avoid getting a serious COVID-19 infection is vaccination. Walk-in vaccine appointments are welcome Monday-Thursday, 9 a.m.-4 p.m., or call to schedule.
