October 18, 2021 – Swinomish Public Health has confirmed **nine (9) new cases** of COVID-19 in the community since the last update Thursday, October 14. There are test results still pending.

The pandemic is proving to be a long journey and we are still not at the end yet. Please continue to stay the course with masking, distancing, and testing, especially as we enter the cold and flu season. COVID-19, the common cold, seasonal allergies, and the flu have many similar signs and symptoms – when in doubt, do not hesitate to get tested.
