COVID-19 PUBLIC HEALTH NOTICE

November 15, 2021 – Swinomish Public Health has confirmed **four (4) new cases** of COVID-19 in the community since the last update Friday, November 12. There are test results still pending.

Drive-thru testing will be available this Wednesday, Nov. 17, 2-4 p.m. at the Medical Clinic. There will be no drive-thru COVID-19 screening tests next week so Medical Clinic staff can vaccinate as many people as possible. Time is running out in order to be vaccinated before Christmas, so please call the clinic to schedule your appointment.

If you are having symptoms of COVID-19, isolate yourself and call the clinic for testing. If you were exposed, get tested in 5-7 days. If you need a test and the clinic is not open, schedule a test at the NW Lab site at the Burlington Outlet Mall or a pharmacy. Follow this link to schedule: <https://www.testdirectly.com/patient/home>.

COVID-19 tests only provide the status for the day you were tested. If you are negative today, you could be positive and contagious tomorrow, so please remember to wear your mask and keep your distance from people outside of your household.

The application deadline for the \$400 portion of the Swinomish Vaccine Incentive is extended from today until Thursday, November 18. You can pick up the application form from the Accounting Department this Wednesday. Tribal members also have the option to complete the form online: <https://swincommunications.typeform.com/Covid-Vaccine>

Details about vaccines for kids will be available soon. Moderna boosters and the initial two dose vaccine series are available by appointment at the clinic. Flu vaccines are available by appointment or walk-in Monday-Thursday. **Swinomish Medical Clinic (360) 466-3167**

Data Dashboard	Positive	Hospitalizations	Deaths	1st Dose Vaccines	2nd Dose Vaccines	3rd Dose Vaccines
Swinomish	344	13	4	2,163	1,982	16
