WHEREAS, the Tribe is organized under a constitution and bylaws originally ratified by the Tribe on November 16, 1935, and approved by the Secretary of the Interior on January 27, 1936, and as most recently amended and ratified by the Tribe on May 23, 2017, and approved by the Secretary of the Interior on July 7, 2017; and

WHEREAS, Swinomish Indian Senate (the "Senate") is the duly enacted governing body of the Swinomish Indian Tribal Community and exercises governmental authority over all lands and waters within the Swinomish Indian Reservation; and

WHEREAS, the Coronavirus (COVID-19) is a respiratory disease that can result in serious illness or death and poses a higher risk to our elders and our community members who have underlying health conditions; and

WHEREAS, the CDC currently recommends mitigation measures in communities with COVID-19 cases including staying at home when sick, keeping away from others who are sick and staying at home when a household member is sick with respiratory disease symptoms or if instructed to do so by the Tribal Public Health Officer or a health care provider; and

WHEREAS, the CDC identifies the potential public health threat posed by COVID-19 both globally and in the United States as “high,” and has advised that person-to-person spread of COVID-19 will continue to occur globally, including within the United States; and

WHEREAS, American Indians and Alaska Natives (AI/AN) are historically disproportionately impacted by communicable disease outbreaks such as in the case of the 2009 H1N1 pandemic in which the CDC Director, Dr. Thomas Frieden, in his December 11, 2009 letter, advised that AI/AN should be considered a priority population; and

WHEREAS, the worldwide outbreak of COVID-19 and the effects of its extreme risk of person-to-person transmission throughout the United States and the Swinomish Indian Reservation significantly impacts the life and health of our people, as well as the economy of the Swinomish Tribe, and is a public disaster that affects life, health, property and the public peace; and

WHEREAS, the Tribe, in the protection of tribal sovereignty and to avoid the encroachment of unwanted state and local interference, has identified the need for a Tribal Public Health Officer to oversee the response to COVID-19 and to coordinate with local, state, and federal partners according to the sovereign powers of the tribe to respond to a public health emergency; and

WHEREAS, the Tribal Council is aware that a COVID-19 outbreak on the Swinomish Indian Reservation will quickly overwhelm the resources of the Tribe; and

WHEREAS, it is the intent of the Senate that this Resolution apply to the tribal government and not tribal enterprises; however, tribal employees will work closely and in coordination with tribal enterprises; and

WHEREAS, there are mitigation strategies to limit and prevent exposure to disease, as indicated in the attached Non-Pharmaceutical Interventions; and

WHEREAS, the Senate is aware that every member of the Swinomish Indian Tribal Community plays an important role in preventing the spread of disease and protecting other community members, especially elders and individuals with underlying medical conditions; and

WHEREAS, the Senate is authorized to take this action pursuant to Article VI, Section 1(a), (e), (f), (g), (k), (l), (m), (o), (r) and (s), Section 3, Section 4 and Section 5(c) of the Constitution of the Tribe approved January 27, 1936, as amended and pursuant to the inherent authority of the Swinomish Indian Tribal Community, **NOW THEREFORE**,

10. COSTS AND REIMBURSEMENT. The Parties agree that the costs of personnel and resources used during the period of assistance are intended to be eligible for reimbursement as detailed in **Schedule C** attached hereto and incorporated herein by reference. Verification of such eligibility shall be the responsibility of the Requesting Party.

- a. **Exhaustion of Remedies.** All Parties agree to exhaust their rights to reimbursement or other payment from local, state, and/or federal governments. To the extent that any third-party payer, such as the United States Government or the state of Washington, has funds or processes available for reimbursement of a Party's activities under this Agreement, the Parties agree to cooperate fully with one another in submitting any appropriate claim(s) for reimbursement and providing copies of records necessary to submit claims. Notwithstanding this section, and notwithstanding the exhaustion of remedies to seek reimbursement, the Requesting Party shall have primary and ultimate financial responsibility for payment to the Responding Party or Parties.

Reimbursement shall not exceed any monetary limits established by the Requesting Party on the Mutual Aid Request Form if the Requesting Party submits the form prior to deployment by the Responding Party.
- d. **Maintenance of Records.** The Requesting Party remains responsible for ensuring that the amount and quality of all documentation regarding use of resources and personnel is adequate to enable state, federal or tribal reimbursement. The Requesting Party will provide these records to the Responding Party upon request by the Responding Party. Responding party may also keep its own records for the purposes of invoicing and for internal and external audit purposes.
 - i. **Resources Inventory.** The Requesting Party will create and maintain an inventory of resources sent from the Responding Party. The Requesting Party will track use and consumption and store the resources appropriately at all times (e.g., vaccines refrigerated).
 - ii. **Record of Hours Worked.** The Requesting Party and the loaned employees will record on a shift-by-shift basis time sheets or daily logs showing hours worked.

Requesting Party shall not be responsible for paying any wages, benefits, taxes or other compensation directly to Responding Party's employees.

11. WORKER'S COMPENSATION, DEATH OR INJURY BENEFITS. Each Party shall provide for the payment of Workers' Compensation or self-insured benefits to its own injured personnel or to representatives of its own personnel in case such personnel sustain injuries or are killed while rendering aid under this Agreement, in the same manner and on the same terms as if the injury or death were sustained within its own jurisdiction.

12. RESPONDING PARTY PERSONNEL EMPLOYMENT STATUS. Responding Party Personnel are not employees of the Requesting Party and are not entitled to any right, privilege, or benefit of employment from the Requesting Party, including but not limited to, compensation, wages, salary, leave, pensions, health, or other advantage.

In the event any party declares an emergency or evokes emergency powers it shall promptly notify all other parties to this Agreement of such declaration.

15. LIABILITY, IMMUNITY, AND INDEMNIFICATION.

- a. **Indemnification.** To the extent permitted by law, each Party, while acting as a Requesting Party, agrees to indemnify, defend and hold harmless the Responding Parties, their officers, officials, employees, volunteers and agents from any and all claims, demands, causes of action, lawsuits, costs, including without limitation attorneys' fees and expert witness fees, losses, judgments, awards or liabilities to any third party, arising out of or related to the performance of this Agreement. Such obligation shall not apply (1) to the extent that the Responding Party acted outside the scope of the Requesting Party's or its designee's direction; or (2) to claims arising out of the Responding Party's willful misconduct, gross negligence, or recklessness.
- b. For purposes of tort liability or immunity, an employee or officer of a responding member jurisdiction (who is a party to this Agreement) is considered an agent of the requesting member jurisdiction. No responding member jurisdiction or its officers or employees providing assistance under this Agreement is liable for any act or omission while providing or attempting to provide assistance under this Agreement in good faith. For purposes of this section, good faith does not include willful misconduct, gross negligence, or recklessness.
- c. No other Parties to this Agreement will be liable for costs incurred by the Requesting Party.
- d. The Parties hereto recognize that the Tribal Parties have sovereign immunity. The Parties also recognize that persons who are injured or damaged in connection with acts or omissions performed within the scope of this Agreement should have recourse for recovery for such injuries or damages based upon fault under the common law and statutes of the state of Washington. The Parties intend to provide for that recourse through insurance that each Party hereto will maintain notwithstanding such immunity.

16. INSURANCE

- a. **Liability and Casualty Insurance.** For the duration of this Agreement, each Party shall maintain its own public liability and property damage insurance of at least five million (\$5,000,000) of coverage against claims for injuries to persons or damage to property, which may arise from or in connection with the performance of this Agreement by its officers, officials, employees or volunteers. This insurance requirement may be satisfied by a commercial policy or policies of insurance or a self-insurance retention program adopted by a Party.

- b. The commercial insurance or self-insurance program for any Party which has an immunity from suit shall be endorsed to include all parties to the Agreement, their officers, officials, employees and agents as additional named insureds. Insurance coverage shall be maintained in continuous effect during this agreement, and in the event any party's insurance expires, terminates or is cancelled, that Party shall give advance written notice to the other Parties. Proof of current active insurance by a Requesting Party may be requested by a Responding Party prior to provision of any Assistance or Mutual Aid hereunder.
- c. Each Tribal policy of insurance issued under this Agreement must include a provision that the insurance shall be available to satisfy settlements or judgments arising from the tortious conduct of Tribal Party personnel, and that to the extent of policy coverage neither the sovereign tribal nation nor the insurance carrier will raise a defense of sovereign immunity to preclude an action for damages under state or federal law, the determination of fault in a civil action, or the payment of a settlement or judgment arising from the tortious conduct.

17. FEDERAL TORT CLAIMS ACT. No provision of this Agreement shall remove from any Party any protection provided by any applicable Federal Tort Claims Act.

18. WAIVER OF RIGHTS. Any waiver at any time by any Party of its rights with respect to a default under this Agreement, or with respect to any other matter arising in connection with this Agreement, shall not constitute or be deemed a waiver with respect to any subsequent default or other matter arising in connection with this Agreement. Any delay in asserting or enforcing any right, except those related to the statutes of limitations, shall not constitute or be deemed a waiver.

19. DISPUTE RESOLUTION.

- a. **Generally.** If a dispute arises between parties, the party asserting the dispute shall provide written notice to the other identifying the issues in dispute. If the dispute is not resolved within ninety days after receipt of the dispute notice by the other party, either Party to the dispute may invoke binding arbitration to resolve the dispute by giving written notice to the other Party. Within thirty days after receipt of the notice invoking binding arbitration, each Party shall furnish the other a list of acceptable arbitrators. The parties shall select an arbitrator; failing to agree on an arbitrator, each Party shall select one arbitrator and the two arbitrators shall select a third arbitrator for an arbitration panel. Costs of the arbitration, including compensation for the arbitrator's services, must be borne equally by the Parties participating in the arbitration and each Party bears its own costs and expenses, including legal fees and witness expenses, in connection with the arbitration proceeding. Parties to a dispute are not required to use binding arbitration, and must be in agreement to use this process before binding arbitration will be invoked.
- b. **Enforcement of Arbitration Award.** The arbitration decision shall be final and may be enforced by the appropriate state or federal court as provided in Subsection 19(c) and 19(e) below. Nothing in this Section is intended to preclude

the Parties from agreeing to mediation to resolve a dispute prior to involving arbitration.

- c. **State or Federal Court.** Should a Party choose not to resolve a dispute through mediation or binding arbitration, the Parties agree that the dispute may be resolved in state or federal court in accordance with Subsection 19(e) below.
- d. **Applicable Law.** The law to be applied against a Tribal Party shall be: first, federal law, including federal statutory and common law; and second, in the absence of appropriate federal law, the law of the state of Washington. This section shall not apply to Tribal grants of authority to a Public Health Officer that specify governing law as provided in Section 7.
- e. **Sovereign Immunity and Jurisdiction.** By signing the Agreement, the Tribal Parties neither waive, limit, nor modify their sovereign immunity from any claim or lawsuit, except as expressly provided in this Dispute Resolution Section 19 and Section 15 and 16(c). The Tribal Parties hereby expressly and irrevocably waive their sovereign immunity (and any defense based thereon) for disputes arising out of or related to this Agreement, but only pursuant to the provisions of the Dispute Resolution Section 19 and 16(c), and for judicial proceedings before the U.S. District Court for the Western District of Washington, or if the U.S. District Court does not have jurisdiction, then the appropriate superior court in the state of Washington for the purposes of enforcement of the terms of this Agreement, confirming an arbitration award or collecting sums due and owing pursuant to and otherwise enforcing any award or judgment. The Tribal Parties hereby irrevocably consent to and submit to the jurisdiction of any arbitration or legal proceeding convened pursuant to the terms of the Agreement, to the U.S. District Court for the Western District of Washington, and if the U.S. District Court of Washington does not have jurisdiction, then to the appropriate superior court in the state of Washington.
 - i. This limited waiver of sovereign immunity is solely for the benefit of the Parties to this Agreement. The Tribal Parties, by granting this limited waiver to the Parties to this Agreement, do not otherwise waive their sovereign immunity except as provided in this Agreement.

20. TERMINATION AND WITHDRAWAL

- a. **Termination.** A Party opting to terminate this Agreement shall provide written termination notification to the Authorized Representatives of all Parties. Notice may be given by any of the means set forth in Subsection 21(e). Notice of termination becomes effective upon receipt by all Authorized Representatives. Any terminating Party shall remain liable for all obligations incurred during its Period of Assistance until the obligation is satisfied.
- b. **Effect of Withdrawal of a Party.** Termination of participation in this Agreement by a withdrawing Party shall not affect the continued operation of this Agreement as between the remaining Parties, so long as at least two Parties continue to participate.
