Estate Sale COVID-19 Requirements

July 12, 2020

All persons conducting retail operations must strictly comply with the COVID-19 safety requirements below.

1. Conduct estate sales outdoors in an area where air circulates freely.
2. Discourage unnecessary touching or holding of goods prior to purchase and removal of goods from the premises.
3. Arrange contactless pay options.
4. Customer Traffic Management.
 - a. Limit customer access to displays of goods in order to maintain six-foot physical distancing requirements.
 - b. Place distance markers such as cones or other objects or markings in order to maintain six-foot physical distancing requirements for customers waiting to enter the display area. Assist and monitor customers waiting to enter.
 - c. Arrange the flow of customers to eliminate choke points and reduce crowding. Mark high traffic areas with six-foot markers to maintain physical distancing requirements.
 - d. Place conspicuous signage alerting customers to the six-foot physical distancing requirement, and policy on face coverings.
 - e. Sneeze guards or other barriers should be placed at all fixed places of potential interaction between customers and those conducting the sale that could be less than six (6) feet.
 - f. When possible, establish hours of operation that permit access solely to high-risk individuals as defined by the Centers for Disease Control (CDC).
5. Sanitation.
 - a. Frequently sanitize high-touch areas.
 - b. Ensure operating hours allow downtime for thorough cleaning of areas touched by customers.

6. Safety and Health Requirements.

Anyone conducting an estate sale during the COVID-19 pandemic has a general obligation to provide safe and healthy premises in accordance with Swinomish Tribal law, and comply with the COVID-19 safety practices below.

- a. All estate sales are required to post signage at the entrance to their location to strongly encourage or require their customers to use cloth face coverings when at the estate sale.
- b. All those conducting an estate sale are strongly encouraged to make face coverings available to customers and are strongly encouraged to require customers to use face coverings when in the store.
- c. Provide adequate hand-sanitizer and encourage hand sanitizing.
- d. Anyone conducting an estate sale should ensure frequent and adequate hand washing or sanitizing by those conducting the sale, with adequate maintenance of supplies. Use disposable gloves where safe and applicable to limit transmission on items that are shared.
- e. Anyone conducting an estate sale should screen themselves and anyone assisting them for signs/symptoms of COVID-19 at start of each day of the sale. **Make sure anyone stays home or immediately goes home if they feel or appear sick.**
